

## **Field Service Engineer** (Job Ref: BV\_FSE0325)

We are seeking to recruit a Field Service Engineer to work as part of our maintenance team installing, surveying, and maintaining residential ventilation systems throughout Northern Ireland. If you are seeking a new challenge, have plumbing or electrical experience, would like to join a well-respected, innovative, and award-winning ventilation manufacturer and meet the essential criteria listed below, then this is the role for you

### **Essential Requirements**

- Highly motivated and willing to work under a flexible contract with core hours of 0900-1730 Monday-Thursday 0900-1630 Friday.
- Proven experience in an installation or maintenance role. Preferably with a knowledge of basic plumbing and electrical works.
- Personable, with experience in dealing with the public.
- Analytical thinker with ability to solve problems
- Hold a full clean driving licence.
- Experienced working alongside other trades.

Although not essential, preference will be given to candidates who have:

- A valid CSR Card.
- Experience with mechanical ventilation systems
- Electrical Isolation Certificate
- Qualification in plumbing or electrical engineering (NVQ or equivalent)

### **Benefits**

- Access to a company vehicle
- Competitive salary
- Enhanced holidays and employee benefits
- Provision of comprehensive training

**To apply, please forward a detailed CV to [kearas@brookvent.co.uk](mailto:kearas@brookvent.co.uk)**

**Closing date: Wednesday 26<sup>th</sup> March 2025**

**BROOKVENT IS AN EQUAL OPPORTUNITIES EMPLOYER AND WELCOMES APPLICATIONS FROM ALL ELIGIBLE CANDIDATES.**
