

## **Mechanical Estimator** (Job Ref: BV\_ME0325)

Brookvent are a leading UK and award-winning manufacturer who specialise in residential ventilation systems providing products from high performing Glazed-In Window Vents to market leading Heat Recovery Ventilation systems (HRV/MVHR).

We are currently seeking to recruit a **Mechanical Estimator** to join our dynamic team. This role is primarily office-based at our facility in Dunmurry and will require the successful candidate to prepare accurate and competitive cost estimates for our range of mechanical ventilation products.

If you would like a new challenge, are self-motivated and would like to become part of a talented and dedicated team within a well-respected and innovative company and meet the essential criteria listed below, then look no further, this is the role for you.

### **Essential Requirements**

- Proficient in system estimating software, and Microsoft packages.
- Prove experience in Estimation, construction drawing take-offs and providing project tenders.
- Confident communication skills.
- Self-motivated with a strong attention to detail and the ability to work under pressure to meet tight deadlines.
- Technical proficiency within the Mechanical Building Services industry, particularly in the HVAC sector would be advantageous.

### **Desirable Requirements:**

- Experience working within the residential construction/ architecture sector
- Experience using AutoCAD / Revit

### **Benefits**

- Competitive salary
- Enhanced holidays with additional long service annual leave
- Company pension scheme
- Company sick pay
- 37 ½ hrs per week (Mon-Thurs 08:30-17:00 & Fri 08:30-14:30)

**To apply, please forward a detailed CV to [kearas@brookvent.co.uk](mailto:kearas@brookvent.co.uk) on/before Wednesday 2<sup>nd</sup> April 2025**

**BROOKVENT IS AN EQUAL OPPORTUNITIES EMPLOYER AND WELCOMES APPLICATIONS FROM ALL SUITABLY QUALIFIED CANDIDATES.**
