

Sales Representative – Windows Vents & Louvre Products (Job Ref: SRI0325)

We are currently seeking a proactive and driven Sales Representative to manage and grow our window fabricator client base across Ireland. If you are seeking a challenging career offering a competitive salary with company car, in a business that prides itself on providing comprehensive training, opportunities for personal growth, plus flexible working arrangements and you meet the essential criteria below then this is the role for you.

Essential Criteria

- Minimum of 2-3 years' experience in sales, ideally within the window fabrication, construction or building materials industry.
- Strong sales acumen with a proven ability to generate leads, close deals, manage long-term client relationships and achieve sales targets.
- Exceptional communication and presentation skills, with the ability to influence key decision-makers.
- Excellent negotiation skills and the ability to manage complex sales process
- Self-motivated, results-oriented, and able to work independently
- Full clean valid driving license with ability to travel regularly across Ireland to meet clients

Although not essential preference will be given to applicants who have

- A degree in Business, Sales, or a relevant field is desirable but not essential.
- Experience selling to window fabricators, have knowledge of window systems or are familiar with window vents, louvre systems, or other architectural hardware.
- Knowledge of the Irish Construction and Building regulations.

Benefits

- Company vehicle
- Competitive salary
- Enhanced holidays and employee benefits
- Provision of comprehensive training

Brookvent is a market leader in innovative ventilation solutions, offering high-quality window vents and louvre products. We serve the construction industry with a focus on delivering exceptional ventilation products to meet the needs of residential and commercial buildings.
